

BATHMATE[®]

One time flush, one time clean

CHINA BATHMATE SANITARY WARE CO., LTD. was founded in 2009 and established a branch in Bangladesh in 2018. Specializing in the production of high-end ceramic sanitary ware, we are committed to delivering premium sanitary ware solutions to the global market. From our early days as a manufacturing factory, we have grown into an integrated enterprise combining factory production with international trade. Today, BATHMATE has successfully transformed into a self-owned brand, recognized for its reliable quality, professional service and global market presence. Through continuous product upgrading and strict quality control, we have earned the trust of customers around the world.

YC023

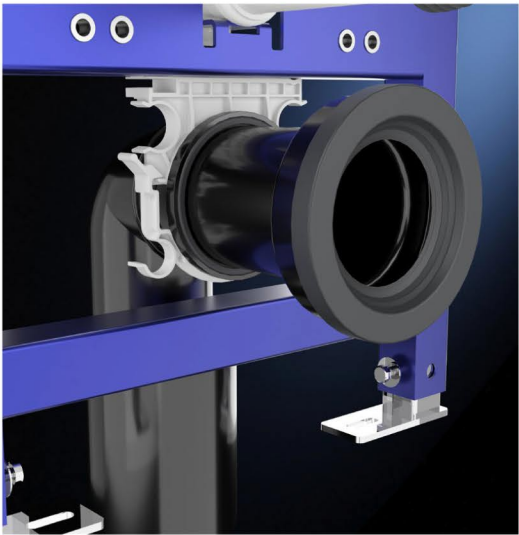

ADJUSTABLE METAL SUPPORT

The metal brackets provide reliable support during cistern installation.

FIXATION FEET

The fixation feet are adjustable in 0-200mm, allowing an easy installation of the cistern.

ADJUSTABLE WASTE PIPE CURVE

Designed to align with the construction site's waste pipe layout.

LOAD-BEARING CAPACITY: 400KG

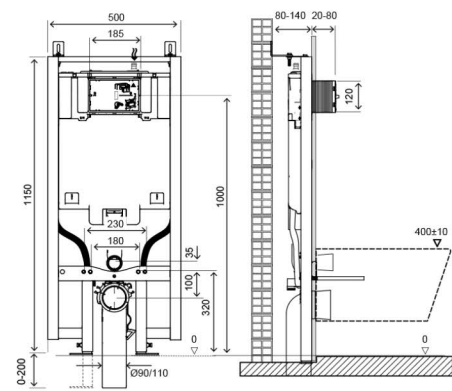

The thickened bracket offers high strength and stability, with a load-bearing capacity of up to 400 kg to ensure safety.

YC023

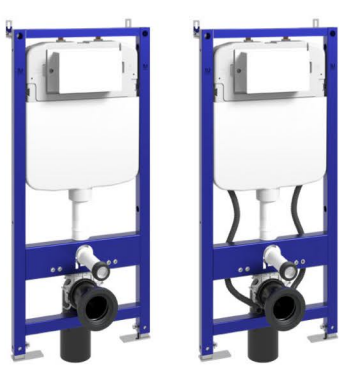

YC023A YC023A-EW

- SPECIFIC FEATURES**
- Compatible with all wall-hung toilets (6/4 4.5/3 litres version);
 - Solid wall installation;
 - Frame tested for a 400kg load;
 - Depth adjustable outlet bend;
 - Easy and quick installation with fast fit system;
 - Height adjustable from 0 to 200mm;
 - One man assembly;
 - Shower toilet pre-installation multiple connections;
 - 80mm thick.
