BATHMATE®
One time flush, one time clean

Superior Stainless Steel Kitchen Sink

冰冷的金属，遇上温热的手掌。千锤百炼的凹痕，是匠人的呼吸，也是时光的指纹。当水流滑过粗粝的肌理，叮咚作响，那是手作的温度，在诉说生活的从容。盛一泓清水，也盛满日常的诗意。

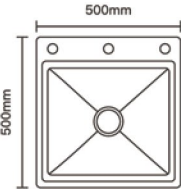

Cold metal meets warm palms. The scars of countless trials and tribulations are the breath of craftsmen and the fingerprints of time. When the water flows over the rough texture and makes a tinkling sound, it is the warmth of handmade work, telling the calmness of life. A clear stream of water is also filled with the poetry of daily life.
